Summary of the Race

The Republican Primary for Congress in the 14th Congressional District is increasingly moving towards Guy Reschenthaler. In fact, Guy has gained twenty points and pushed Rick's uninformed ballot score into the 20s with just one positive television ad. **Since a March 8th survey, Guy has gained thirty-eight points on the ballot.** This is an astounding move with the amount of money spent and is a sign of voters' hunger for Guy's candidacy.

Rick is now at 54% and Guy is gaining strongly. The key for Guy to win is for voters to become better educated on Guy's strengths. **The awareness of each of these items is still in the mid 20s, and those numbers need to reach into the 50s by election day.**

Additionally, voters must become more aware of Rick's short fallings particularly his support for a massive sales and income tax hike and his use of tax-payer funded perks.

Key Issues

- Guy Reschenthaler's A rating from the NRA and 100% pro-life voting record.
- Guy Reschenthaler introduced legislation as a state senator to stop the dangerous practice of sanctuary cities and fight illegal immigration.
